Dear **Nonvikan Karl Augustt Alahassa,**

I have some good news.

Based on your interest in pursuing a **Masters**, you **qualify for a Partial Scholarship** at Atlantic International University.

This scholarship is designed to significantly reduce your tuition investment, making it more affordable to begin your academic journey. While it is **not a full scholarship**, it represents a meaningful reduction in the overall cost of your program.

At AIU, your degree is **100% online**, allowing you to continue working, caring for your family, and fulfilling your daily responsibilities while earning an American degree.

Scholarship evaluations are being awarded on a first come, first served basis, and the first round of selections will be completed by Sunday. If you would like to be considered in this initial review, I encourage you to send your information as soon as possible.

Please reply with:

- Your most recent Resume or CV
- Your highest degree and transcripts (if available)

Once I receive your information, I will personally evaluate your file, determine the **maximum partial scholarship** available to you, and recommend the payment plan that best fits your budget.

You requested information because you wanted something more for your future.

Don't miss the opportunity to be included in this first scholarship review.

I look forward to hearing from you.

Best regards,
Sandra Garcia-Fierro
